

# ARI VERT

| DATA TEKNIS                    |           | ARI VERT 200 L |
|--------------------------------|-----------|----------------|
| Kapasitas                      | Liter     | 200            |
| Daya listrik                   | Watt      | 2200           |
| Tegangan                       | Volt      | 220            |
| Waktu pemanasan (*ΔT=45°C)     | Jam/menit | 4jam.53menit   |
| Ketebalan insulasi             | mm        | 27.5           |
| Temperatur kerja maks.         | °C        | 75             |
| Tekanan kerja maks.            | Bar       | 6              |
| Kerugian panas pada temp. 65°C | KWh/24jam | 2.15           |
| Berat                          | Kg        | 45             |
| Indek proteksi                 | IPX       | IP25D          |
| DIMENSI KESELURUHAN            |           |                |
| a                              | mm        | 1463           |
| b                              | mm        | 800            |
| c                              | mm        | 413            |
| d                              | mm        | 440            |
| e                              | mm        | 230            |
| f                              | mm        | 530            |
| g                              | mm        | 545            |
| h                              | mm        | 175            |
| i                              | mm        | -              |
| j                              | mm        | -              |

- Legenda :
- Saluran masuk air dingin Ø G 3/4” (200L)
  - Saluran keluar air panas Ø G 3/4” (200L)
